

## SUNSET LAKES HOA

Merritt Island, Florida • SLHOA.com

April 27, 2016

The Sunset Lakes HOA Board of Directors has revised the Design Review Guidelines (DRG) to allow homeowners more flexibility in maintaining their property and at the same time retaining property values. We realize the difficulty in trying to please all homeowners in all areas of the DRG; however, we feel that the changes being proposed are a balance that all of us can live with and enable us to enjoy our neighborhood.

We are asking for your cooperation in adhering to the attached DRGs as we continue to develop one all-inclusive document that incorporates the DRGs and Declaration of Covenants and Restrictions that will then need to be voted on by the community.

The Board will be voting on approving these revised DRG's at our meeting scheduled for Tuesday May, 17<sup>th</sup>

Thank you,
